CitiPower is relocating assets for the construction of the new Metro Tunnel Anzac Station Precinct.

### Works

We'll be completing underground cable works on **Park Street** and 2 locations adjacent to the ANZAC station precinct (as per the map overleaf).

### When

These works are currently scheduled to be completed between **7am and 5pm from Monday 25 July to Saturday 6 August 2022**.

### What to expect

- **Electricity supply will be maintained, there are no planned outages during these works.**
- Works will involve digging up parts of the road and footpath.
- Some of this work may be noisy.
- During works there will be some temporary traffic and parking impacts on Park Street.
- Local traffic and pedestrian access will be maintained at all times with traffic control in place to safely guide vehicles and pedestrians around the work area and through detours.
- Reinstatement of the area will be progressively completed after the completion of construction works.
- Work will be completed by CitiPower authorised contractor **Service Stream**.
- Works will be completed in stages and you will be notified by our authorised contractor of any direct impacts.
